

Puppy Buyer Questionnaire

At 'A Ufh]b]'; cfXcbg we ask that if you are seriously considering one of our special puppies you complete our puppy buyer questionnaire. The purpose of this questionnaire is not to prejudge you but to get to know you better and enable us to properly match a puppy type and temperament to the prospective buyer. There is no one best way to own or care for a dog but we want to be sure our puppies are placed in homes that are willing to take care of them for their entire life. It is also important to us, at 'A Ufh]b]'; cfXcbg, that we ensure the puppy will be happy in its new home and that you will be happy with your new family member. Do the best you can in answering the questions - there are no right or wrong answers. **Most importantly all information is kept confidential.** To reserve your puppy please send completed questionnaire and a \$100 deposit to
